Now, meet baby sister Marty, a savvy city girl with a score to settle who's about to get more than she bargained for. . . . Fate, You Are On My Bad Side You have got to be kidding! On a night like this, when most sane people are home to escape a blinding snowstorm, I happen to run into Millbrook's biggest jerk, Nathaniel Peck, the boy who broke my heart at my junior prom. The one who kissed me on a dare and let his buddies laugh at me. Well, eat dirt, Nathaniel Peck, because you might have noticed me on the covers of a few magazines under the heading: Supermodel. I live in New York City now. I will be leaving as soon as the weather clears. And frankly, if it were a choice between kissing you or braving downed electrical wires, I'd have to think about it. It's official: I've regressed. It's just that I can't stand the cult of Nathaniel Peck that has come over this town. Okay, so he is Chief of Police. So he did make sure I got home safely. So he didn't try anything funny with me. So that old smirk has been replaced by a sexy, sad smile. . . . No. People just do not change that much. Somewhere inside Nate is the same leering, conniving womanizer I remember. And I intend to prove it. . . .

Wanting What You Get Kathy Love 2010-04-06 In her delightful novel, *Getting What You Want*, Kathy Love introduced the Stepp sisters, three unique women with wildly different ideas about love and life. Now, meet Ellie, the romantic middle sister who's about to take a chance on having what she's always wanted. . . . This Can't Be Happening Is he flirting with me? I must be imagining things. Why would Mason Sweet, the gorgeous mayor of Millbrook, Maine, the man I've secretly been in love with since seventh grade, flirt with me? He's the town golden boy, and I'm, well, the local librarian. The Stepp sister who stayed close to home. The one who bakes brownies. . . . Then eats them all. My thighs make that whick-whick-whick sound in pantyhose. He can't possibly be flirting with me. So why is he giving me that melt-you-where-you-stand look? Why is he pulling me close? And what is he whispering in my ear. . . . Sorry, could you repeat that? Now I'm hearing things, because I swear Mason just asked me if I'd like to. . . well, he wasn't asking for a book recommendation, let's put it that way. Oh my, my, my. Okay, Ellie, stop blushing like a teenaged girl. I'm sure he didn't mean it. Maybe I should just alphabetize something. Be the good girl everyone expects. Eat another brownie. Forget this ever happened. So why is it I can't stop myself from saying, "Yes. . . ."

The Leopard Gecko Manual Philippe De Vosjoli 2011-10-04 Considered by author Philippe de Vosjoli as “the first domesticated species of lizard,” the leopard gecko has fast become “the reptilian version of the parakeet or goldfish.” Leopard Geckos takes a close look at the characteristics of this species that have made these attractive lizards so amazingly popular in the pet world. As a hardy, easy care, and potentially long-lived lizard, the leopard gecko is the perfect size, attractive in its velvety skin, and fairly easy to breed. The subject of breeding geckos is covered in multiple chapters in this book led by author and herp expert de Vosjoli, who is joined by gecko specialists Dr. Roger Klingenberg, Ron Tremper, and Dr. Brian Viets, who each contribute special chapters to this up-to-date and authoritative guide. Colorfully illustrated, Leopard Geckos provides excellent general guidelines for keepers who wish to add a gecko to their vivarium and maintain their pet in excellent health and condition. The authors provide an introduction to gecko characteristics including distribution, size, longevity, and growth rate, to help beginners better understand the anatomy and behavior of these fascinating lizards. This Advanced Vivarium Systems title includes information about selecting a healthy leopard gecko, handling, housing needs, water and feeding requirements, and shedding and tail loss. Dr. Klingenberg provides the chapter “The Recognition and Treatment of Disease,” which covers specific disorders keepers should be aware of. De Vosjoli begins the discussion on breeding leopard geckos, and then is joined by Dr. Viets for a chapter on “Incubation Temperature and Hatching Sex and Pigmentation.” Tremper’s chapter on “Color and Pattern Variations” focuses on the genetic aspects of breeding leopard geckos. The book also discusses the African fat-tailed gecko plus other eublepharids, including the African clawed gecko, Japanese leopard gecko, Malaysian cat gecko, and the Central American banded gecko.

Fangs For The Memories Kathy Love 2007-09-01 Oh, Brother! I’m watching my brother swagger through our New York City apartment. . . smiling. Rhys, the detached, surly man who turned brooding into an art form. But he’s not brooding now. No, he’s practically threatening to pistol whp me for shaking hands with the beautiful, half-dressed creature named Jane who just tried to sneak out of his bedroom. Weird. Brother Grim has a sex drive? That’s not all that has me freaked out. Something terrible happened last night, something that made Rhys break his own rule and save the life of a mortal. Trouble is he doesn’t remember anything from the past two hundred years. Like that he’s a vampire, not a Regency viscount with an English accent. All I know is this mortal woman has managed to touch my brother’s frozen heart, and I, Sebastian Young, will do whatever it takes to help him keep her. . . .

Any Way You Want It Kathy Love 2013-10-04 Is That A Treble Clef In Your Pocket--- Or Are You Just Glad To See Me? Maggie Gallagher spends her nights with lots of men. Of course, they're all dead composers, but why nitpick? Her love life is just like the musical compositions she researches—undiscovered. It's time for Maggie to let loose and go wild. In a dive bar on Bourbon Street, Maggie makes a real find in the house band's keyboard player. He's hot. Sexy. Flirtatious. Soulful. And she could swear he's playing an unknown piece she's been researching, which is impossible, unless he's dead. . . Centuries before he was a badass vampire with a rock-star wardrobe and Big Easy charm, Ren was Renaldo D'Antoni, a composer on the verge of a great success until he was betrayed. No one could ever know that, but tonight, the shy strawberry blonde with the big eyes and obviously borrowed outfit actually seemed to recognize his long-lost composition. Now, she wants to know about the composition, and Ren wants to know her. . . intimately. But what starts as attraction--and distraction--just might lead to the biggest discovery of their lives. . .
