The Russian Context Eloise M. Boyle 2002  
Produced to complement Gerhart's previous  
book, The Russian's World, this substantial tome  
contains a dozen contributed chapters (from  
professors at various American universities) on  
many aspects of Russian culture, including  
poetry, prose, children's literature, theater, art,  
popular entertainment, geography, and  
government. The idea is to present cultural  
context that enables and enhances study of the  
language. While most readers are likely to have  
had some Russian, those with just an interest in  
Russian culture will also find the material  
accessible and useful. Arrangement is in sections  
on history, language, spectacle, and reality; and  
appendices supply additional information and  
resources. Indexing is in both English and  
Russian. Annotation copyrighted by Book News,

words, sentences and grammar. Through this  
method, a person will be able to enhance his or

93 Untranslatable Russian Words Natalia  
Gogolitsyna 2008 There is no better terrain in  
which to examine the differences between two  
cultures than language. Every language has  
concepts, ideas, words and idioms that are nearly  
impossible to translate into another language.  
This new book looks at nearly 100 such Russian  
words and offers paths to their understanding  
and translation by way of examples from  
literature and everyday life. A key to  
understanding another language, another  
culture, is figuring out what cannot be "known,"  
but only "felt." In this compact and useful  
volume, difficult to translate words and concepts  
are introduced with dictionary definitions, then  
elucidated with citations from literature, speech  
and prose, helping the student of Russian  
comprehend the word/concept in context. Added  
bonus: Includes an extensive chart of Old Russian  
Measurements you may meet in literature -- from  
the common arshin, to the less known charka --  
with modern conversions. An invaluable  
reference tool. - Publisher.

Maxwell Parker, P.I. Josie Lynn 2014 Twelve-year-old Maxwell Parker is all about what's going on behind quiet exteriors—a trait that comes in handy in her quiet suburban neighborhood where everyone seems to have something to hide. Exhibit A: Mrs. Cook—the nice elderly widow who just moved in across the street—seems like any other cookie-baking grandmother, but Maxwell knows things aren't always what they seem. Even though Kenneth Newman (her best friend since kindergarten) is on board to help investigate their mysterious new neighbor, Maxwell realizes times are changing. They've started junior high, and Maxwell doesn't just feel like a little fish in a big pond; she feels like a Little Mermaid in a sea of teenage girls. When the clique of popular girls sets its sights on Kenneth, Maxwell decides to take matters into her own hands before the would-be supermodels steal her best friend right under her crime-sniffing nose! Then popular girl Veronica offers Maxwell friendship at a price, and Maxwell must decide if she's willing to pay what it will cost to fit in. If she ends up on the nightly news in the meantime...well, it's all in a day's work!

**God's Feminist Movement** Amber Picota 2016-07-19 Experience True Liberation by Seeing Your Beauty, Femininity, and Freedom From Heavens Point of View Has Christianity kept women trapped in the stone age? In many ways,

yes; but this is not by Gods design. As society offers women opportunities to explore outer-space and govern nations, the church often stifles and limits them. The tide is changing, though. Amber Picotas Gods Feminist Movement is a new covenant manifesto calling women to embrace their true identity in Christ and fulfill their destiny as revolutionaries who shape the course of history with the Kingdom of God. There is a powerful new feminist movement emerging in the body of Christ. Its not politically driven and its not being championed by an uprising of angry man-haters. Based on an intense study of Scripture, factoring in historical and contextual hermeneutics and original languages, Picota shares a practical, non-legalistic, and non-traditional (yet deeply Biblical) look at topics that women commonly face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichés that minimize a womans true position in Christ!
