**River of Fire** Qurratulain Hyder  
2019-03-26 “Magisterial” (Pankaj Mishra, The New York Review of Books) and “to Urdu fiction what One Hundred Years of Solitude is to Hispanic

literature” (TLS) The most important novel of twentieth-century Urdu fiction, Qurratulain Hyder’s River of Fire encompasses the fates of four recurring characters over two and a half millennia. These characters

become crisscrossed and strangely inseparable over different eras, forming and reforming their relationships in romance and war, in possession and dispossession. River of Fire interweaves parables, legends, dreams, diaries, and letters, forming a rich tapestry of history and human emotions and redefining Indian identity. But above all, it's a unique pleasure to read Hyder's singular prose style:

"Lyrical and witty, occasionally idiosyncratic, it is always alluring and allusive: Flora Annie Steel and E. M. Forster encounter classical Urdu poets; Eliot and Virginia Woolf meet Faiz Ahmed Faiz" (The Times Literary Supplement).

**Psychamok** Brian Lumley 2002-08-01

Brian Lumley is an international horror phenomenon, with books

published in thirteen countries, including China, the Czech Republic, Germany, Japan, Russia, and Spain. More than two million books have been sold in his Necroscope series alone, but that barely taps the potential of this wildly imaginative author.

Lumley's horror often crosses the dividing lines between fantasy and horror or between science fiction and horror. The Psychomech trilogy, of which Psychamok is the conclusion, is a perfect blend of science fiction, adventure, and horror, combining in a fast-paced whirlwind of a story that leaves the reader doubting the evidence of his or her own senses. Richard Garrison was once a corporal in the British Military Police, until a terrorist's bomb destroyed his eyesight and his career. Repaying Garrison for saving his wife and

child from the blast, millionaire industrialist Thomas Schroeder introduced him to the Psychomech, an amazing machine that could either gift its users with astonishing mental powers-or destroy them utterly. Having successfully harnessed the Psychomech, Garrison discovered the Psychosphere, a strange plane of existence where mental abilities were all. Thought became intent, word became deed, and Garrison became like unto a god. Two decades later, Garrison is utilizing his unique powers to explore the universe. On Earth, his son, Richard Stone, is happily in love, until his beloved falls victim to "The Gibbering," a plague of madness that destroys men and women by destroying their minds. There is no obvious cause. There is no cure. There are no

survivors. When Richard Stone himself is infected by the Gibbering, the mental powers he inherited from his father enable him to defeat the madness, at least for a while. Then, to his horror, Stone discovers that the Psychomech has run amok and that the Gibbering is the result! Even though the insanity it creates batters his struggling mind, Stone realizes he is the only man with the knowledge and power capable of destroying the berserker mind-machine. The son of Garrison is at war with Psychomech. Who will survive the final battle, man or machine? *The Forty Rules of Love* Elif Şafak  
2010-02-18 In this lyrical, exuberant

tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric

into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free. *The Turkish Peace* Hazrat Mirza Bashiruddin Mahmud Ahmad 2019 **Rait Se But Na Bana (Roman Urdu Edition)** Farhat Ishtiaq 2020-02-19 Rait se but na bana is social romantic novel by Farhat Ishtiaq.
